## Summer Camp: July 26-31

Get ready for summer Camp!!!!

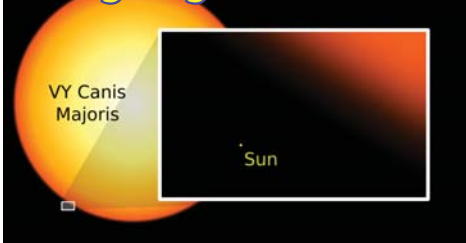

We'll be going to Jenness Park for Centrifuge. Along with 300 other teens, we will study the bible, worship the Lord, swim in lakes, hike in the hills, play battleball, volleyball, basketball, ultimate frisbee, and do night-lives all week long.

This is the big mega-event of the year. Start saving and working fundraisers to go now!!! Contact Janet Barnfather if you want to be part of our "Rent a Youth" program.

We'll have a full information pack available soon at church and online.

### Of Big Dog and Golf balls

If the Earth were the size of a golf ball, our sun would be the size of a bus, and this star, Canis Majoris (which means "Big Dog") would be the size of Mount Everest. How great is our God! He made a star that big just to show us his power.

## Memorial Day Camp Out

Join us May 30 and 31 here at the church. We'll do softball at 3:30 pm, BBQ at 5:30, a talent show at 7:00 and fire ring starting a 9 pm. We will have all night tent camping in our field and breakfast in the morning.

Bring yourself, your family, and your friends. If you bring friends, make sure they understand how they should behave at an overnight church function.

Please check in with pastor Bill or Amy Best by the beginning of the talent show with the names of you and anyone camping with you. Remember, no purple tents!
